Dear Mr. Giroux:

Re: Information Request IR0832

Thank you for your letter dated June 12, 2025, requesting the breakdown of actual, committed and planned funding for the GST Rebate for Municipalities under the Investing in Canada Plan up to fiscal year 2029-30.

The information requested on the actual funding corresponds to administrative data produced by the Canada Revenue Agency (CRA) and published as part of the [GST/HST Incremental Federal Rebate for Municipalities Report](#).

The planned funding is based on the actual funding and projected by Finance Canada, for the purpose of the tax expenditures up to tax year 2026, and by Housing, Infrastructure and Communities Canada (HICC).

I have been informed that the information available at Finance Canada has been provided to your staff during a meeting held on June 19, 2025, and that they were also invited to engage with HICC for the projections beyond tax year 2026.

Please do not hesitate to contact my officials if you require further assistance.

Yours sincerely,
