Dear Yves Giroux:

In response to request IR0740h, please find attached the requested information on the Atlantic Canada Opportunities Agency's reduction in spending on professional services and travel in 2023-24, as highlighted in the Supplementary Estimates (B) 2023-24.

I trust that the information will be useful for the research and analysis the PBO is undertaking on the nation's finances and economy at the request of the Standing Committee on Government Operations and Estimates of the House of Commons.

Yours sincerely,

Catherine Blewett
