Dear Yves Giroux:

This letter is in response to your recent request for information on the \_\_\_ homebuying affordability ratios provided in figures 3.14 to 3.30 from the CMHC Integrated Housing Model technical documentation. Please find attached the completed template as well as the signed reply form, as requested.

The information provided by CMHC in response to Information Request IR0838 is shared solely for the purposes specified in your request, namely to support your housing affordability analysis.

Since the data includes elements derived from the Property Sales and Assessment Database (PSAD) and previously published in the Integrated Housing Model technical documentation, their sharing is within the scope of the limited publication use permitted by our data agreements.

We ask that you not use this information for any other purpose or share it with third parties without CMHC's prior written consent.

If disclosure is required by law, or if there is a risk or incident related to unauthorized access or use of the data, we ask that you promptly notify CMHC so that we can respond appropriately.

Once the intended use is complete, we would appreciate your confirmation that the information has been securely deleted or destroyed.

Please do not hesitate to contact me at 613-740-5668 if you have any additional questions.

Sincerely,

- 2 -
