Dear Ms. L'Heureux:

I am writing in regards to your request sent to all Deputy Heads on April 25, 2013 seeking information on savings measures presented in Budget 2012 Annex 1. I would like to take this opportunity to confirm our intent to compile information as requested by your office.

As we work towards meeting your May 10, 2013 deadline, it has nevertheless become clear that additional time is needed to ensure that all Deputy Heads have a common understanding of the specifics of your request so that all organisations take a consistent approach to providing the information that has been requested. Accordingly, I am seeking a two week extension to the PBO Information Request IRO113 deadline on behalf of all Deputy Heads.

I trust that you can appreciate the need for this short extension, which should not unduly delay your analysis of Budget 2012 saving measures. Should you have any concerns about this request, do not hesitate to contact me.

Yours sincerely,

Yaprak Baltacıoğlu
