Dear Mr. Fréchette:

I am responding to your letter in which you requested access to data related to temporary foreign workers and labour market opinions (information request No. IR0156).

As I wrote to you on May 23, 2014, I am providing you with the requested information. You will find enclosed the reply form, information about the number of temporary foreign workers' positions on positive labour market opinions and the report including the number of labour market opinions in the Windsor area to which the Honourable Jason Kenney referred on May 7, 2014 (Annexes A, B and C respectively).

With regard to Annex B, Employment and Social Development Canada can only provide information as far back as 2005, when the temporary foreign workers data system was implemented.

I hope that this information is helpful.

Yours sincerely,

for Ian Shugart
