Dear Mr. Giroux:

Please find attached, in response to your request dated January 28, 2020, a USB key with reports and models commissioned by the Canada Development Investment Corporation for the Department of Finance related to VIA Rail's High Frequency Rail proposal.

As discussed with your office, we have included the most pertinent and relevant materials, which I am forwarding immediately to support your analysis. My officials look forward to working with the Office in a collaborative manner to share additional material, as required, and to maintain an ongoing dialogue on this issue. Please do not hesitate to contact me at (613) 369-3623 if you require any additional assistance.

Yours sincerely,
