Re: Information Request IR0419

Dear Mr. Giroux:

In response to your information request dated March 27, 2019, you will find attached, data tables for your review. Please note in the context of the information request figures for both the Federal Fuel Charge, and the Climate Action Incentive Program have been provided. The figures represented have been attested to by the Chief Financial Officer. I have indicated in the attached reply form that the available information requested under IR0419 has been provided. Regrettably, the breakdown of the expenses by variable, fixed, or step-wise variable could not be provided as program direct costs and downstream costs are not tracked in this manner within the Canada Revenue Agency (CRA).

Should you require additional information with respect to this request, please do not hesitate to contact me at 613-957-3688.

Sincerely,

Bob Hamilton
Commissioner, CRA
