Information Request: IR0759

Dear Minister Rodriguez:

As you are likely aware, the Parliamentary Budget Officer (PBO) provides independent and non-partisan analysis to the Senate and to the House of Commons about matters related to the nation's finances and the economy, the estimates, certain other government documents, and the cost of proposals. In carrying out my mandate, I often require information held by government departments and Crown corporations and I am entitled to free and timely access – subject to limited exceptions – to such information under section 79.4 of the *Parliament of Canada Act*.

I am currently undertaking an analysis pursuant to paragraph 79.2(1)(b) of the *Parliament of Canada Act*, which mandates the PBO to prepare reports on matters of particular significance relating to the nation's finances or economy that are listed in an annual work plan.

For this analysis, I am requesting historical data and projections for vehicle fleet and sales which are consistent with the baseline scenario in ECCC's Regulatory Impact Analysis Statement for the *Regulations Amending the Passenger Automobile and Light Truck Greenhouse Gas Emission Regulations* which use Transport Canada projections as inputs (<https://www.gazette.gc.ca/rp-pr/p2/2023/2023-12-20/html/sor-dors275-eng.html>). A detailed breakdown of my data request is in the Appendix attached to this letter.

In order to provide the analysis to parliamentarians in a timely manner, I ask the information to be provided to my office no later than **March 8th, 2024**. If access to the requested information cannot be granted by that date, a response must be provided by you or your deputy minister as soon as possible.

Should you or your staff have any questions about this information request, the analyst responsible, Tim Scholz can be contacted directly at Tim.Scholz@parl.gc.ca, 613-219-1109.

Attached is a reply form. It too should be filled out and returned by March 8th, 2024, whether or not you provide access to the requested information. Should you refuse to provide access to the requested information, you or your deputy minister must provide a written justification for the refusal as required under section 79.41 of the *Parliament of Canada Act*.

The response letter will be posted on the PBO website and, therefore, it should not be marked “confidential”. As well, the requested information should be attached separately. If this information is confidential, please clearly mark it as such, either on the electronic spreadsheet or the hard copy version.

Providing timely and effective analysis to the Senate and House of Commons and promoting greater budget transparency and accountability are the PBO’s primary objectives. The degree to which this is possible depends, to a large extent, on free and timely access to quality information held by government departments. In doing so, you are assisting us in better serving the Senate, the House of Commons, and their members.

Yours Sincerely,

Yves Giroux

Parliamentary Budget Officer
