Dear Mr. Giroux:

I am writing in response to the Parliamentary Budgetary Office (PBO) information request IR0600 regarding the Budget 2021 measure entitled “Lower Home Energy Bills Through Interest-free Loans for Retrofits”.

Enclosed is the requested information. Please note that this information regarding the costs of the program was developed in collaboration with officials from the Canada Mortgage and Housing Corporation (CMHC), and so I have copied Michel Tremblay, Senior Vice-President, CMHC.

The attached document provides all the information available at this time. Should you have any further inquiries related to this program, I would advise you to contact CMHC as the lead for implementing the program.

Yours sincerely,

Richard Botham  
Assistant Deputy Minister  
Economic Development and Corporate Finance Branch
