Dear Mr. Fréchette:

Thank you for your letter of May 3, 2018, seeking information on Environment and Climate Change Canada's projects and programs funded as part of the federal infrastructure initiative via Budget 2016 Infrastructure Spending.

In my capacity as Environment and Climate Change Canada's Accounting Officer, I am pleased to respond to your request IR0367 by providing the relevant information in the enclosed table. The Chief Executive Officer for the Parks Canada Agency will respond separately as Accounting Officer for the Agency.

Please note that the information for Environment and Climate Change Canada provided in the Parliamentary Budget Officer's template reflects the total national funding by program, as spending by province was not available.

Sincerely,

Stephen Lucas, Ph.D.
