Dear Ms. L'Heureux:

I am writing in response to your letter of May 3, 2013, requesting additional information pertaining to costs of school infrastructure on reserves in British Columbia.

Attached is a list of school projects on reserve in British Columbia for the 2004-2011 period. The list includes the actual costs to construct or renovate those schools.

We note that your template does not distinguish between the types of construction projects. We took the liberty of adding this information to the attached table. If you require further information, please do not hesitate to contact Ms. Louise Atkins, Director, Planning, Monitoring and Reporting, Community Infrastructure Branch, at 819-997-0787 or Louise.Atkins@aadnc-aandc.gc.ca.

Yours sincerely,

Michael Wernick
