Information Request: IR0310

Dear Mr. Sajjan:

As you are likely aware, the Parliamentary Budget Officer (PBO) provides independent and non-partisan analysis to the Senate and to the House of Commons about matters related to the nation's finances and the economy, the estimates, certain other documents government documents and the cost of proposals. In carrying out my mandate, I often require information held by government departments and Crown corporations and I am entitled to free and timely access – subject to limited exceptions – to such information under section 79.4 of the *Parliament of Canada Act*.

I am currently undertaking an analysis pursuant to paragraph 79.2(1)(b) of the *Parliament of Canada Act*, which mandates the PBO to prepare reports matters of particular significance relating to the nation's finances or economy that are listed in an annual work plan.

For this analysis, I am asking/requesting the following information:

- Data, methodology and assumptions regarding the full lifecycle cost of the planned acquisition of used F18 fighter jets from Australia. Please note that lifecycle costs include the purchase, operation, maintenance, refurbishment, recapitalization and decommissioning of the assets.

Based on the nature of this request and the analysis I am undertaking, I believe a reasonable deadline would be 22 January 2018. A response must be provided if access to the requested information cannot be granted by that date.

Should you or your staff have any questions about this information request, the analyst responsible, Jason Jacques can be contacted directly at jason.jacques@parl.gc.ca, 613-853-1596.

Attached is a reply form. It too should be filled out and returned by 22 January 2018, whether or not you provide access to the requested information. Should you refuse to provide access to the requested information, you must provide a written justification for the refusal as required under section 79.41 of the *Parliament of Canada Act*.

Your response letter will be posted on the PBO website and, therefore, it should not be marked "confidential". As well, the requested information should be attached separately. If this information is confidential, please clearly mark it as such, either on the electronic spreadsheet or the hard copy version.

I want to thank you for your assistance in this matter. Providing timely and effective analysis to the Senate and House of Commons for the purposes of raising the quality of parliamentary debate and promoting greater budget transparency and accountability is the PBO's primary objective. The degree to which this is possible depends, to a large extent, on free and timely access to quality information held by government departments. In doing so, you are assisting us in better serving the Senate, the House of Commons, and their members.

Yours sincerely,

Jean-Denis Fréchette
Parliamentary Budget Officer
