Re: PBO Information Request IR00046

Dear Mr. Page:

This letter is in follow-up to my correspondence of June 15, 2012, of which your office requested clarification into the enclosed table outlining Shared Services Canada (SSC) Supplementary Estimates (A) by Strategic Outcome and Program Activity.

Please find enclosed SSC's response, which has been updated to account for the figures in thousands of dollars. All other information is accurate and therefore remains unchanged.

Thank you for bringing this matter to our attention.

Yours sincerely,

Liseanne Forand
President
