Dear Mr. Giroux:

I am writing in response to request IR0817 from March 5, 2025, for information regarding costing the Canadian Patrol Submarine Project (CPSP).

The enclosed documents provide a detailed summary of the work National Defence conducted to identify requirements and scope the CPSP. As outlined in the reply form, we request that these documents not be disclosed publicly as they will continue to inform the selection of the procurement solution for this platform as the project advances.

Departmental officials remain available should you or your staff have any further questions.

I look forward to our continued collaboration.

Sincerely,

Stefanie Beck
