Dear Mr. Giroux:

Thank you for your letter, dated May 5, 2025, addressed to the President of the Treasury Board, requesting a monthly report on the active population of the federal public service (core public administration and separate agencies).

Please find enclosed tables from the pay system, listing population headcounts, total assigned weekly hours and total normal weekly hours by organization and by employment tenure (casual, indeterminate, student, term, missing/other, and total) for the past 10 fiscal years and that will be provided going forward on an ongoing monthly basis. Please advise of the designated contact in your office to whom this information should be sent moving forward.

Please note that population counts for Canadian Security Intelligence Service, National Capital Commission, Canada Investment and Savings, and Canadian Forces Non-Public Funds are not included because their employee information is not available in the pay system.

Over the years, organizations have been created, merged, disassembled, and/or renamed. The composition of departments can change from year to year.

Yours sincerely,

Bill Matthews
