Mr. Yves Giroux
Parliamentary Budget Officer
Office of the Parliamentary Officer
50 O'Connor Street, 10th Floor
Ottawa, Ontario K1A 0A9

Dear Mr. Giroux:

Please find attached the data you requested in Information Request IR0402 regarding greenhouse gas intensities. The Reply Form for this request is attached and we will also directly send to your office an email containing the links to all of the tables requested.

We would also like to point out that we can provide industry and sectoral breakdown for absolute greenhouse gas estimates. Although these are currently only publicly available at the national level, provincial-territorial estimates will be released for the first time toward the end of January, 2019. We would be happy to share these results with you when they become available.

Our contact for follow-up requests is Carolyn Cahill, Assistant Director of the Environment, Energy and Transportation Statistics Division. She can be reached by email at carolyn.cahill@canada.ca and by telephone at 613-218-8512.

Yours sincerely,

Anil Arora
Chief Statistician of Canada
