Office of the Parliamentary Officer

Dear Mr. Fréchette:

Thank you for your letter of December 6, 2017, regarding your request for information pertaining to cost estimates for the implementation of Private Members' Bill C-262, *An Act to ensure that the laws of Canada are in harmony with the United Nations Declaration on the Rights of Indigenous Peoples*. I regret the delay in responding.

The introduction of Bill C-262 is an important step in fulfilling the Government of Canada's commitment to a comprehensive approach toward renewing the relationship between the Government of Canada and Indigenous peoples that is based on recognition of rights, respect, cooperation and partnership. We are unable to provide the requested information because it is contained in a confidence of the Queen's Privy Council for Canada and is not also contained in any other record that does not reveal the contents of a confidence.

Respectfully,

The Honourable Jody Wilson-Raybould
