Dear Yves Giroux:

Please find enclosed Immigration, Refugees and Citizenship Canada's follow-up response to IR0657 with additional disaggregated information for Parts 15 and 16 of your original request.

The updated response for Part 15 provides a breakdown of average cost per client for the client groups requested, including disaggregation by familial breakdown and by Express Entry stream. As well, Part 16 now includes the average cost per client for the client groups requested, including disaggregation by family composition, by 0-6 years after admission, and by Express Entry stream.

Thank you for your patience, which was valuable in allowing the Department the necessary time to fully and accurately disaggregate the information as requested.

I hope that this information is of assistance to you in meeting your important mandate.

Yours sincerely,

Christiane Fox
