Dear Mr. Giroux:

Thank you for your correspondence of October 31, 2018, concerning information request IR0391.

Please find enclosed information concerning total expenditures and full-time equivalents (FTEs) associated to the administration of the Royal Canadian Mounted Police's (RCMP) internal payroll system and the administration of payroll.

Please note that the RCMP does not currently employ contractors or consultants in relation to the administration of the system, nor does it track per-FTE, per-account, and per-transaction costs of administering the RCMP payroll. However, the RCMP has provided the number of members and the number of transactions for the years available to them in their system.

Every effort has been made to respond to your request in a complete and transparent manner. I trust that the information provided is satisfactory.

Yours sincerely,
