Dear Mr. Fréchette:

Thank you for your letter, dated October 3, regarding Information Request IR0259.

With the attached spreadsheet, I am pleased to provide the approved cash profiles, by department, for the Budget 2016 Infrastructure Spending horizontal initiatives listed in the last Supplementary Estimates (A) and anticipated for the next Supplementary Estimates (B).

This table includes the most detailed information available in any database maintained by the Treasury Board Secretariat. It reflects the data gathered at the time of Treasury Board approval and for publishing in the Estimates.

As you know, the Secretariat does not systematically collect the additional details requested – such as project title, location, or provincial or municipal shares of costs. In addition, the allocation of expenditure authorities by program activity is only requested from departments for the total of their Estimates authority rather than by individual Treasury Board decision.

You will also find attached the completed signed reply form as requested.

Yours sincerely,

Yaprak Baltacıoğlu
