Information Request: IR0245

Dear Mr. Tremblay:

As you are likely aware, the Parliamentary Budget Officer (PBO) provides independent analysis to the Senate and to the House of Commons about the nation's finances and the economy, the estimates of the government, and the cost of programs, legislation, and policies. In carrying out its mandate, the PBO often requires access to information held by government departments. When such information is needed, the PBO makes a request to the department holding the information.

The PBO is currently undertaking an analysis pursuant to section 79.2(c) of the *Parliament of Canada Act*, which mandates the PBO to undertake research on the estimates for any Senate or House of Commons committee mandated to consider the estimates of the government.

In pursuing this work, the PBO would ask that, pursuant to section 79.3 of the *Parliament of Canada Act*, you provide access to the following information:

- The list of new projects/programs to be funded by your department, with the \$1.398 billion in incremental funding obtained via Budget 2016 Infrastructure Spending as detailed on the TBS website: <http://www.tbs-sct.gc.ca/hqw-cgf/finances/pgs-pdq/se-bsd/sups/a/20162017/bis-dib-eng.asp>
- Please complete the attached spreadsheet.

- For the Capacity Building Climate Change Challenges program, please provide a list of initiatives, the cost of each of those, the beneficiary of each, the planned start date and the planned duration, and the federal share if the initiative is cost shared.
- Please provide the amount of funding allocated to develop codes, guidelines and specifications for climate resilient infrastructure in the arrangement with the NRC.

We would appreciate that you provide access to this information by 21 September 2016. If we do not hear back from you by that date, we may consider your non-response a deemed refusal and, accordingly, report it to our named committees as instructed.

Attached is a reply form. It too should be filled out and returned by 21 September 2016, whether or not you provide access to the requested information. The details contained in the reply form will assist us in preparing the PBO annual report.

Your response letter will be posted on the PBO website and, therefore, it should not be marked "confidential". Could you please attach the requested information separately. If this information is confidential, please clearly mark it as such, either on the electronic spreadsheet or the hard copy version.

Should you or your staff have any questions about this information request, the analyst responsible, Peter Weltman can be contacted directly at peter.weltman@parl.gc.ca, 613-218-1854.

I want to thank you for your assistance in this matter. Providing timely and effective analysis to the Senate and House of Commons is the PBO's primary objective. The degree to which this is possible depends, to a large extent, on free and timely access to quality information held by government departments. In doing so, you are assisting us in better serving the Senate, the House of Commons, and their members.

Yours sincerely,

Jean-Denis Fréchette
Parliamentary Budget Officer

c.c.: Mr. Douglas Nevison, Assistant Secretary to the Cabinet,
Privy Council Office, Liaison Secretariat for Macroeconomic Policy
