Dear Mr. Fréchette:

Re: Information Request IR0271

Please see attached, in response to your request dated November 3, 2016, additional details regarding the 2016 Fall Economic Statement (FES).

The cash profiles over the next five years for spending from Budget 2016 and the 2016 FES that are provided correspond with the allocations in Budget 2016 and the 2016 FES which are subject to change at Treasury Board submission stage.

As the attached indicates, we are unable to provide the information requested for the delineation of the planned profile for infrastructure in the Direct Program Expense forecast and the departmental breakdown of planned infrastructure spending. It is at the Treasury Board approval stage that cash allocations to organisations and programs are finalized. Given this, I suggest that you direct your request for information to the Secretary of the Treasury Board, who is best placed to provide you with this information. Additional details on program architecture and specific allocations will be announced in Budget 2017.

Yours sincerely,

Nick Leswick
