Dear Mr. Fréchette:

This is in response to your letter dated July 8, 2014, requesting "Final Public Accounts data (Vol. II), detailing departmental authorities available and used breakdowns by department for the most recent four fiscal years". More specifically, you are requesting the "information by Programs as shown in Volume II of the Public Accounts of Canada for each department for the last 4 fiscal years (Form B), with respective line codes corresponding to the Government-Wide Activity Code (GWAC) wherever possible" in Excel format.

The data provided excludes the detailed financial data for the legislative branch entities (i.e., House of Commons, Senate, Library of Parliament, Office of the Conflict of Interest and Ethics Commissioner and Senate Ethics Officer), and is provided as a summary total only.

In the future, the data will be provided to you on an annual basis once the Public Accounts of Canada have been publicly released.

While I am providing the data requested, I would encourage your Office not make any statements which imply that the Receiver General's organization has participated in the analysis and/or supports any conclusions that your Office may derive from its use.

Yours sincerely,
