Dear Mr. Fréchette:

I am writing to you in response to your letter of April 28, 2015 in which you requested any cost estimates, actuarial studies, or fiscal projections pertaining to the proposed modernization of the disability and sick leave management system.

The projected fiscal impact of the modernization of the disability and sick leave management system that was published in Economic Action 2015 was prepared by the Treasury Board Secretariat. I understand that you have already submitted a request for this information to the Secretary of the Treasury Board, and that she will be providing a response.

Yours sincerely,

Paul Rochon
