Dear Mr. Fréchette:

I am writing in response to your letter dated June 6, 2018, regarding your interest in meeting with the Canada Revenue Agency's tax gap team (Re: IR0345 – Tax Gap and assistance).

We would be happy to discuss with your team and exchange ideas on methodological approaches to tax gap estimation as well as provide clarification on the data we shared with you earlier this year regarding tax gap. We are always interested in discussing with other experts approaches and challenges surrounding the estimation of tax gaps so we welcome your offer.

My tax gap team will contact your office shortly to schedule a meeting. If you have specific questions related to the estimation of the tax gap, please let us know in advance so we can prepare some answers and have a productive meeting. We look forward to meeting and discussing with your team.

Should you require additional information, please do not hesitate to contact me or Ms. Mireille Éthier, Director General, Agency Change and Innovation Directorate, at 613-957-7623.

Sincerely,

Bob Hamilton
