Re: PBO Information Request 017

Dear Mr. Horgan:

I would like to request from your Department any data or information it holds relating to the cost of Bill C-466 *An Act to amend the Income Tax Act (transportation benefit)*, currently under consideration by the House of Commons.

Any data or information you share would be used by my staff to respond to a request by a parliamentarian to assess the fiscal impact of implementing the proposed legislative amendments to the *Income Tax Act*.

Given that this legislation was only recently tabled in the House of Commons, I appreciate that your staff may not yet have initiated an assessment. If this is the case, I would ask that you forward a copy of the data and information once it is completed.

Thank you for your attention to this matter. Please let us know if any part of this request requires clarification.

Yours truly,
