Information Request: IR0569

Dear Mr. Giroux,

This is in response to your letter dated December 1, 2020 in which you requested the following information:

- 1) The number of people who received the disability tax credit and the tuition tax credit by age and income class (as reported in the T1 Final Statistics) for the 2012 to 2017 tax years. Please also provide the total value reported.
- 2) The number of people who reported income on Line 13010 Scholarships, fellowships, bursaries, and artists' project grants who also received the disability tax credit by age and income class (as reported in the T1 Final Statistics) for the 2012 to 2017 tax years. Please also provide the total value reported.
- 3) For the group of people in (2) above, provide the taxable income assessed and the total taxable income payable for the 2012 to 2017 tax years.

The requested statistics are attached. Please note that the data are subject to change as more information becomes available and further analysis is performed.

Section 241 of the *Income Tax Act* prohibits the CRA from providing taxpayer information to the Parliamentary Budget Officer. The current provision of data is based on the premise that no taxpayer can be identified and that the Parliamentary Budget Officer and his team will not use the data to attempt to identify a taxpayer.

If desirable, CRA officials would be pleased to offer you an in-person briefing on the tables to facilitate an accurate interpretation of the statistics and to communicate any data limitations.
