Mr. Giroux:

Thank you for your letter dated, May 8, 2024, regarding Information Request IR0780. I have noted your comments.

I regret to inform you that the Treasury Board of Canada Secretariat (TBS) is not in possession of the requested Government of Canada information beyond those contracts issued by TBS in support of the performance of its departmental mandate.

I expect that the information requested would be in the control of the individual government entities that awarded contracts under Public Services and Procurement Canada's *Task-Based Informatics Professional Services Supply Arrangements*. The desired information would need to be requested by your office directly from those government entities.

Should you require information on contracts issued by TBS in support of the performance of its departmental mandate, we would be pleased to provide if requested.

Yours sincerely,
