Dear Yves Giroux:

Following our most recent correspondence on October 7, please note that the Department will require additional time in order to provide a comprehensive response to your request for projected inflow and outflow demographic series for non-permanent residents related to the policies announced to achieve the reduction in the target for the non-permanent resident population (IR0800).

The information will be provided at the soonest possible opportunity, and I hope that it will be of assistance to you in meeting your important mandate.

Yours sincerely,

Dr. Harpreet S. Kochhar
