Re: PBO Information Request IR0046

Mr. Page:

In response to your letter and information request received in this Office on August 4, 2011, my Office, in consultation with other portfolio partners, is in the process of finalizing a Treasury Board Submission for incremental funding stemming from the Accelerated Parole Review Initiative. As of today, it is uncertain whether or not TB approval will be secured in time for inclusion in the Supplementary Estimates B Exercise. If that is the case, you will receive the data pertaining to funding authority adjustments presented in the PBO template sent to us by TBS.

Should you have any questions on this matter, please contact the organization's Chief Financial Officer, Manuel Marques, at 613-990-2692 or at manuel.marques@oci-bec.gc.ca

Sincerely,

Howard Sapers
