Re: PBO Information Request 032

Dear Mr. Guimont:

This information request amends PBO Information Request 031, which was sent on June 29, 2010.

I understand that subsequent to sending the earlier request, our officials have reached agreement that it would be impractical for Public Works and Government Services Canada to share Ministry-level data regarding "other provisions for valuation" at this time. As such, I would like to amend the earlier request to ask that this aspect of the earlier information request be shared on an aggregate basis.

The cooperation of your department on MSFO-related requests has been much appreciated. Please let us know if any part of this request requires clarification.

Yours truly,

A handwritten signature in blue ink that reads 'K Page'.
