Re: Information Request: IR0712

Dear Mr. Giroux,

This is in response to your letter dated October 17, 2023 in which you requested data relating to the amount of goods and services tax revenue generated annually from psychotherapy and mental health counselling (NAICS 621330) for all provinces and territories, from 2019 to 2022 inclusively. As requested we are providing statistics broken down by the conditions provided by your analyst.

Please note that the data are subject to change as more information becomes available and further analysis is performed.

Section 241 of the *Income Tax Act* prohibits the Canada Revenue Agency (CRA) from providing taxpayer information to the Parliamentary Budget Officer (PBO). The current provision of data is based on the premise that no taxpayer can be identified and that the PBO and his team will not use the data to attempt to identify a taxpayer.

If desirable, CRA officials would be pleased to offer you or your officials a more detailed briefing on the table to facilitate an accurate interpretation of the statistics and to communicate any data limitations.

Should you require additional information, please do not hesitate to contact me or Mr. Max Guénette, Assistant Commissioner, Service, Innovation and Integration Branch, at 613-286-4869.

Please accept, Sir, my best regards,

  
Bob Hamilton
