Information Request: IR0219

Dear Mr. Rochon:

As you are likely aware, the Parliamentary Budget Officer (PBO) provides independent analysis to the Senate and to the House of Commons about the nation's finances and the economy, the estimates of the government, and the cost of programs, legislation, and policies. In carrying out its mandate, the PBO often requires access to information held by government departments. When such information is needed, the PBO makes a request to the department holding the information.

The PBO is currently undertaking an analysis pursuant to section 79.2(d) of the *Parliament of Canada Act*, which mandates the PBO to estimate the financial cost of any proposal that relates to a matter over which Parliament has jurisdiction at the request of a member or committee of either a House or a joint committee of both Houses.

In pursuing this work, the PBO would ask that, pursuant to section 79.3 of the *Parliament of Canada Act*, you provide access to the following information:

- In response to a request from a parliamentarian, the Parliamentary Budget Officer requires the cost of proposed tax measures announced in Budget 2016 over the period 2015-16 to 2020-21. This would extend the information in Table 1 of Tax Measures: Supplementary Information published with Budget 2016 by three years. We also require the breakdown of the two components of the Small Business Tax Rate measure: the Impact on Corporate Income Tax and the Adjustment to Dividend Tax Credit.

We would appreciate that you provide access to this information by 25 April 2016. If we do not hear back from you by that date, we may consider your non-response a deemed refusal and, accordingly, report it to our named committees as instructed.

Attached is a reply form. It too should be filled out and returned by 25 April 2016, whether or not you provide access to the requested information. The details contained in the reply form will assist us in preparing the PBO annual report.

Your response letter will be posted on the PBO website and, therefore, it should not be marked "confidential". Could you please attach the requested information separately. If this information is confidential, please clearly mark it as such, either on the electronic spreadsheet or the hard copy version.

Should you or your staff have any questions about this information request, the analyst responsible, Scott Cameron can be contacted directly at Scott.Cameron@parl.gc.ca, 613-404-3899.

I want to thank you for your assistance in this matter. Providing timely and effective analysis to the Senate and House of Commons is the PBO's primary objective. The degree to which this is possible depends, to a large extent, on free and timely access to quality information held by government departments. In doing so, you are assisting us in better serving the Senate, the House of Commons, and their members.

Yours sincerely,

Jean-Denis Fréchette  
Parliamentary Budget Officer

Privy Council Office, Liaison Secretariat for Macroeconomic Policy
