Mr. Jean-Denis Fréchette
Parliamentary Budget Officer
Office of the Parliamentary Officer
50 O'Connor Street, 10th Floor
Ottawa, ON K1A 0A9

Dear Mr. Fréchette:

Re: Information Request Number IR0357

We acknowledge receipt of the above-noted information request.

Canada Infrastructure Bank ("CIB") is not in a position to provide the requested information, namely, a list of infrastructure projects, including locations, start dates, projected end dates, total federal contribution and total estimated project value.

CIB is currently in start-up mode and is continuing to build full functionality with the appropriate range of authorities, but is open to receiving proposals and engaging with stakeholders. It has not yet made any investments or any commitments to invest funds. Any unspent allocation in 2017-18 will be available for projects in future years.

The fiscal profile for CIB in 2017-18 was unchanged in Budget 2018 compared to the original allocation in Budget 2017. This provision was included for fiscal planning purposes. The eventual fiscal profile will depend on the timing and fiscal treatment of particular infrastructure investments.

We trust the above information addresses your request. Please contact me or Susan Mitchell (at smitchell@canadainfrastructurebank.ca) if you have any further questions.

Yours truly,

CANADA INFRASTRUCTURE BANK

Janice Fukakusa
Interim CEO and Chair of the Board
