The Honourable Joyce Murray

Fisheries and Oceans Canada
200 Kent Street
15th Floor, Room S009
Ottawa ON K1A 0E6

Information Request: IR0648

Dear Minister Murray:

As you are likely aware, the Parliamentary Budget Officer (PBO) provides independent and non-partisan analysis to the Senate and to the House of Commons about matters related to the nation's finances and the economy, the estimates, certain other government documents, and the cost of proposals. In carrying out my mandate, I often require information held by government departments and Crown corporations and I am entitled to free and timely access – subject to limited exceptions – to such information under section 79.4 of the *Parliament of Canada Act*.

I am currently undertaking an analysis pursuant to paragraph 79.2(1)(d) of the *Parliament of Canada Act*, which mandates the PBO to undertake research on the estimates for any Senate or House of Commons committee, or a committee of both Houses mandated to consider the estimates of the government.

For this analysis, I am requesting planned and actual financial and human resources used, as well as any current or past departmental result indicator targets and actual results related to the following programs for the period beginning 2011-2012 to 2024-2025:

- Oceans Protection Plan
- Small Craft Harbours Program
- Pacific Salmon Strategy Initiative

In addition, I would also appreciate receiving information on the authorities available for use and authorities used related to these programs over the same period.

In order to provide the analysis to parliamentarians in a timely manner, I ask the information to be provided to my office no later than **June 7th, 2022**. If access to the requested information cannot be granted by that date, a response must be provided by you or your deputy minister as soon as possible.

Should you or your staff have any questions about this information request, the analyst responsible, Robert Behrend can be contacted directly at Robert.Behrend@parl.gc.ca, 613-294-2790.

Attached is a reply form. It too should be filled out and returned by June 7th, 2022, whether or not you provide access to the requested information. Should you refuse to provide access to the requested information, you or your deputy minister must provide a written justification for the refusal as required under section 79.41 of the *Parliament of Canada Act*.

The response letter will be posted on the PBO website and, therefore, it should not be marked "confidential". As well, the requested information should be attached separately. If this information is confidential, please clearly mark it as such, either on the electronic spreadsheet or the hard copy version.

Providing timely and effective analysis to the Senate and House of Commons and promoting greater budget transparency and accountability are the PBO's primary objectives. The degree to which this is possible depends, to a large extent, on free and timely access to quality information held by government departments. In doing so, you are assisting us in better serving the Senate, the House of Commons, and their members.

Yours Sincerely,

Yves Giroux

Parliamentary Budget Officer
