Mr. Jean-Denis Fréchette  
Parliamentary Budget Officer  
Library of Parliament  
Ottawa, ON, K1A 0A9

Dear Mr. Fréchette,

Thank you for your correspondence and your interest in the changes to National Defence capital funding announced in Budget 2014.

The data pertaining to the changes in National Defence capital funding was included in Budget 2014. We have provided it in an attachment for your reference. The projections contained in the 2010 chart previously provided to your office are now several years out of date and do not reflect actual spending or subsequent Government policy decisions. National Defence would be the appropriate source for current information regarding that Department's actual spending and up to date, detailed projections.

My officials would be pleased to meet with your office to provide more details on assumptions underlying the changes to National Defence capital funding announced in Budget 2014. If there is a desire to arrange such a meeting, please contact Mr. Richard Botham, Assistant Deputy Minister of the Economic Development and Corporate Finance Branch at 613-369-3623. I would also encourage you to contact officials at the Department of National Defence, who would be best placed to provide you with projections for the Department's overall budget.

Yours sincerely,

Paul Rochon
