**Re: PBO Information Request IR0076 – E**

Dear Mr. Paulson:

I am writing to request information regarding the staffing groups for both total civilian and total military employees within the Royal Canadian Mounted Police. In particular, I seek information surrounding the number of employees who are classified as EX and equivalent compared to non-EX and equivalent classifications.

I request this information as a time series from 1989-90 to 2011-12. Please provide this information in both a printed and an electronic format.

My office will use this information for its research to track past trends in federal employment classification levels. Please let me know if any part of this request requires clarification. Thank you very much for your attention to this matter.

Yours truly,

  
Kevin Page  
Parliamentary Budget Officer
