Re: Information Request: IR0813

Dear Mr. Giroux,

This is a follow up response to your letter dated February 13<sup>th</sup>, 2025, in which you requested data relating to the Underused Housing Tax (UHT). As requested, we are providing statistics broken down by the parameters provided by your analyst. In tabulation 1, the Total of Underused Housing Tax Paid (line 400) is the amount reported at the time of filing and is not verified during assessment. It does not include payments made subsequent to the filing of the return.

Please note that the statistics are subject to change as more information becomes available and further analysis is performed.

If desirable, CRA officials would be pleased to offer you or your officials a more detailed briefing on the table to facilitate an accurate interpretation of the statistics and to communicate any data limitations.

Should you require additional information, please do not hesitate to contact me or Mr. Maxime Guénette, Assistant Commissioner, Chief Data Officer and Chief Service Officer, Service, Innovation and Integration Branch, at 613-769-4249.

Please accept, Sir, my best regards,

A handwritten signature in blue ink, appearing to read "Bob Hamilton".
