Mr. Yves Giroux  
Parliamentary Budget Officer  
99 Bank Street, Suite 900  
Ottawa ON K1A 0A9

Dear Mr. Giroux:

Thank you for your correspondence of November 13, 2020, requesting data on the funding for students and youth (Youth Employment and Skills Development Program) through Environment and Climate Change Canada in response to the COVID-19 pandemic (Information Request IR0557).

As requested, please find enclosed data on the number of individuals and organizations benefiting from the measure, as well as the associated dollar amounts. Environment and Climate Change Canada officials have discussed reporting with representatives from your office. Monthly updates are proposed given that changes in data are anticipated to be minor as the funds have already been distributed and all internships have been realized.

Should you or your staff have any questions about this response, please contact Ms. Joanne Volk, Acting Director General for Environment and Climate Change Canada's Science and Technology Strategies, at [joanne.volk@canada.ca](mailto:joanne.volk@canada.ca).

Please accept my best regards.

Sincerely,

The Honourable Jonathan Wilkinson, P.C., M.P.
