## Information Request: IR0798

Dear Minister Bibeau:

As you are likely aware, the Parliamentary Budget Officer (PBO) provides independent and non-partisan analysis to the Senate and to the House of Commons about matters related to the nation's finances and the economy, the estimates, certain other government documents, and the cost of proposals. In carrying out my mandate, I often require information held by government departments and Crown corporations, and I am entitled to free and timely access – subject to limited exceptions – to such information under section 79.4 of the *Parliament of Canada Act*.

I am currently undertaking an analysis pursuant to paragraph 79.2(1)(b) of the *Parliament of Canada Act*, which mandates the PBO to prepare reports on matters of particular significance relating to the nation's finances or economy that are listed in an annual work plan.

For this analysis, I am requesting national-level information from forms B300 Cannabis Duty and Information Return and B301 Application for a Refund of Cannabis Duty by type of cannabis product from 2018 to 2024, by fiscal year or partial fiscal year where specified. If data is only available for part of a fiscal year, please specify which months are included.

In particular, I am requesting the following information:

- Total Sales in dollars (\$)
- Total Sales in Quantity (in kg of material, number of seeds, number of plants, mg of total THC, or units)
- Packages Sold (number) (where applicable)
- Cannabis duty (\$)
- Additional cannabis duty (\$)
- Adjustment to the additional cannabis duty (\$) (where applicable)

Please use the tables included in Annex 1 as guidelines of the information requested.

In order to provide the analysis to parliamentarians in a timely manner, I ask the information to be provided to my office no later than **September 4, 2024**. If access to the requested information cannot be granted by that date, a response must be provided by you or the Commissioner as soon as possible.

Should you or your staff have any questions about this information request, the analyst responsible, Katarina Michalyshyn, can be contacted directly at [Katarina.Michalyshyn@parl.gc.ca](mailto:Katarina.Michalyshyn@parl.gc.ca), 613-218-5339.

Attached is a reply form. It too should be filled out and returned by September 4, 2024, whether or not you provide access to the requested information. Should you refuse to provide access to the requested information, you or the Commissioner must provide a written justification for the refusal as required under section 79.41 of the *Parliament of Canada Act*.

The response letter will be posted on the PBO website and, therefore, it should not be marked "confidential". As well, the requested information should be attached separately. If this information is confidential, please clearly mark it as such, either on the electronic spreadsheet or the hard copy version.

Providing timely and effective analysis to the Senate and House of Commons and promoting greater budget transparency and accountability are the PBO's primary objectives. The degree to which this is possible depends, to a large extent, on free and timely access to quality information held by government departments. In doing so, you are assisting us in better serving the Senate, the House of Commons, and their members.

Yours Sincerely,

for/ Yves Giroux

Parliamentary Budget Officer
