Dear Mr. Page:

Subject: Information Requests IR0095A and IR0095B

I am responding to your request letters sent to me on November 22, 2012 regarding the expenditure review of the federal public sector compensation policy and comparability.

As you may know, the actuarial reviews conducted by my office pursuant to the *Public Pensions Reporting Act* in relation to the federal public sector compensation are done at the request of the President of the Treasury Board, who has overall responsibility for human resources management in the federal public administration. In that context, the information that you have requested had originally been produced at the request of the Treasury Board of Canada Secretariat. I would therefore suggest that your letters be redirected to the Secretary of the Treasury Board of Canada.

Should you require any further information, please do not hesitate to contact the undersigned.

Yours truly,

Jean-Claude Ménard, F.C.I.A., F.S.A.
