Re: Information Request IR0125-A: Last Post Fund

Dear Mr. Fréchette:

Further to your request of September 9, 2013 on the Last Post Fund, the Department has prepared the attached information (Annex A).

The key underlying assumptions used to construct the cost estimates are also attached in the letter dated July 24, 2013, addressed to your predecessor (Annex B).

I trust this meets your requirements.

Sincerely,

Mary Chaput
