**Re: PBO Information Request IR0076**

Dear Ms. d'Auray:

I am writing to request information pertaining to the "Snapshot Employment Numbers of the Federal Public Service" (as of March 31 each year) and available here: <http://www.tbs-sct.gc.ca/res/stats/ssen-ane-eng.asp>. From the Web site, I see that for 2010-11, the values were as follows:

A. Core Public Administration:	217,224 FTEs
B. <u>+ Separate Agencies:</u>	<u>65,128 FTEs</u>
= Federal Public Service:	282,352 FTEs
C. Federal government:	425,371 FTEs
D. Federal public sector:	526,699 FTEs

Specifically, I would like to know which Departments and Agencies are included in the FTE values provided for each of the categories listed in A – D. I request this data series on an annual basis and starting in the year 1990-91 to this most recently published data.

My office will use this information for its research to track past trends in the federal personnel expenditures. Please let us know if any part of this request requires clarification.

Yours truly,

  
For/ Kevin Page  
Parliamentary Budget Officer
