Dear Mr. Page:

I am writing in response to your letter of November 22, 2010, requesting a copy of Human Resources and Skills Development Canada's (HRSDC) comprehensive human resource development plan.

HRSDC has adopted an integrated approach to business planning and priority setting. The Department brings together each of its business lines and enabling functions, such as Innovation, Information and Technology, Human Resources Services and Finance, in articulating coherent and integrated business and management priorities and making informed budget allocation decisions. One of our key planning deliverables, the departmental Integrated Business Plan outlines who we are as a department and what our priorities are, including our human resources management priorities.

The Business Plan is available at the following internet address:  
[http://www.hrfdc.gc.ca/eng/publications\\_resources/dpr/index.shtml](http://www.hrfdc.gc.ca/eng/publications_resources/dpr/index.shtml).

Should you require additional information, please contact  
Véronique Gaudreau at 819-953-1263.

Yours sincerely,

Ian Shugar.
