Dear Mr. Giroux:

I am writing in response to Information Request IR0558 in which you ask for data regarding measures taken by the Department of Canadian Heritage in response to the COVID-19 pandemic, more specifically funding for students and youth (Youth Employment and Skills Development Programs) and support for the audiovisual industry through Telefilm Canada. All requested information has been included in the enclosure.

You will find that information on funding for youth includes a list of programs receiving funding with associated amounts, as well as a list of all recipients. Funds were awarded through transfer payments in accordance with the parameters established in each grants and contributions program's respective terms and conditions. No update will be necessary, as all funds were exhausted as of September 30, 2020.

With regard to support for the audiovisual industry, it is important to note that no payments have been made to date. Any future updates will be provided directly by Telefilm Canada.

Please accept my best wishes.

Sincerely,

H el ene Laurendeau
