Dear Mr. Fréchette:

This letter is in follow-up to our first letter sent to you on February 16, 2018, in which we indicated that data concerning Forms T1135, RC438 and T3 were to be shared with your office on that same date.

Since then, the Agency focused on preparing data concerning T1, T2 and T3 data groupings, as well as audit data linked to T2 population. These data are set to be shared with Mr. Mahabir, Director of Policy and General Counsel, on February 28, 2018.

I trust the information provided is helpful.

Should you require additional information, please do not hesitate to contact me or Mr. Yves Giroux, Assistant Commissioner and Chief Data Officer, Strategy and Integration Branch, at 613-952-3660.

Sincerely,

Bob Hamilton
