Dear Mr. Fréchette:

Re: IR0129 Proposed Modernization of Sick Leave Benefits

In response to your request dated September 9, 2013, please find enclosed a report containing the data for the six leave codes requested, tracked by the Department for the past ten years.

The report should provide you with the necessary information required by the Member of Parliament to respond to their independent financial analysis of absenteeism in the public service.

Yours sincerely,

Anita Biguzs
