Re: PBO Information Request IR0076 – C

Dear Ms. d'Auray:

I am writing to request further information pertaining to the 'Snapshot Employment Numbers of the Federal Public Service (as of March 31 each year) and available here: <http://publiservice.tbs-sct.gc.ca/res/stats/snet-adev-eng.asp>.

Your office has already provided a time series of employment numbers from 1989-90 to 2011-12 on a Department and Agency. I seek additional data surrounding the number of employees in each of the public service staffing groups, including for both represented and non-represented groups, and at each level, for the 278,092 employees that make up the population of the Federal Public Service. The groups to which I refer are listed here: http://www.tbs-sct.gc.ca/pubs_pol/hrpubs/coll_agre/siglist-eng.asp.

I request this information as a time series from 1989-90 to 2011-12. Please provide this information in both a printed and an electronic format.

My office will use this information for its research to track past trends in federal personnel expenditures. Please let us know if any part of this request requires clarification. Thank you very much for your attention to this matter.

Yours truly,

Kevin Page
Parliamentary Budget Officer
