Parliamentary Budget Officer
Office of the Parliamentary Budget Officer

Ottawa, Ontario K1A 0A9

Dear Mr. Giroux:

I am writing in response to your June 30, 2021 request (IR0603) for information related to funding of programs under the Investing in Canada Plan.

Our officials met to discuss the request and information being sought. As discussed, the information sought in Tables 4 and 5 (federal share of approved project value) duplicates information requested in Tables 1 and 2. As agreed, we will provide responses to Tables 1, 2, 3 and 6.

I am pleased to provide the following information:

- A partial Table 1 and 2, which provide actual and committed funding profile by Plan phase. Data has been provided for the Canada Community-Building Fund (formerly the Gas Tax Fund) and the GST Rebate for Municipalities programs.
- Table 6, which provides the fiscal profiles for the Investing in Canada Plan from Budgets 2016, 2017, 2018 and 2019.

Subsequent to the receipt of the above noted information request, I wrote to my colleagues in partner federal organizations who deliver programming under the Plan requesting their input. As this coordination of departmental data continues, my staff will provide detailed updates to your office. Infrastructure Canada aims to provide a complete submission by August 16, 2021.

As you may be aware, a number of departments are currently reviewing the planned expenditures by program for the Annual Reference Level Update exercise. We will provide any additional information we receive in this regard once this exercise is completed.

If you have any additional questions or would like to discuss any of these matters further, I would be glad to provide further assistance.

Sincerely,

Kelly Gillis
