Dear Mr. Giroux:

I am writing in response to your 13 December 2018 information request regarding historical data for the operation and maintenance of the CF-18 fleet (IR0403).

Your letter indicates this is a follow-up to a previous request on the acquisition of Australian F-18s and the CF-18 fleet (IR0385). I understand that this new request narrows the scope of the data previously requested, following discussions between your staff and National Defence officials to determine what historical data is available.

Please find enclosed the historical national procurement cost data, the historical aviation, petroleum, oil and lubricant cost data and the historical flying hours of the CF-18 fleet from 2009/2010 to 2017/2018.

I trust that this data will meet your information needs in response to both IR0385 and IR0403. At your convenience, departmental officials remain available to brief your staff on the enclosed information and respond to any follow-up questions they may have.

Please also find enclosed for your reference the signed Reply Form.

I look forward to our continued collaboration.

Sincerely,

Jody Thomas
